Cloud Lab roster page (Active Projects)

For the first time visitors, "What is Cloud Lab panel" pops up with a brief description of the cloud lab. User can close the panel, and it won't show up again.
On the top-right corner, there is user info panel, along with "Synthesis slot panel".
This panel indicates how many synthesis slots are in your hand.
There are 3 tabs in the page – active, proposed and completed projects.
Active projects list on-going player projects. Clicking on them takes you to the Individual project page

Cloud Lab roster page (Proposed Projects)

Similar to active projects tab, but lists projects that have been proposed but not activated yet. The most voted project here moves to active projets when a slot opens up.
"Propose a project" button takes you to "Project Proposal Page"
